Local help for Nebraskans
with Medicare

Dear SHIP Client,

Nebraska SHIP provides an unbiased comparison of all plans offered in Nebraska. These prices are estimates and represent the best available information at the time of comparison. Please note drug manufacturers can change the full cost of their drugs at any time, potentially affecting the amount you pay at the pharmacy. If you have questions please contact us at 1-800-234-7119.

What to expect next:

1. The plan you selected will be mailing you information and ID cards within 2 –3 weeks. Carefully review any correspondence you receive from the plan or Social Security/Railroad Retirement.
2. You have elected to pay your premium:

_____ Directly _____ Social Security/Railroad Retirement Deduction

Do not attempt to make a payment to the plan until you receive a bill. Social Security/Railroad Retirement deductions could take 60—90 days to begin. If you receive a bill within that time frame, you need to pay it. If you do not pay your premium, the plan can terminate your enrollment. If you have questions please contact Nebraska SHIP at 1-800-234-7119.
